Gym Reimbursement

WHO IS ELIGIBLE FOR THE GYM MEMBERSHIP REIMBURSEMENT? HOW MUCH CAN BE REIMBURSED?

- You are eligible if you are a subscriber, regardless of which plan you have, as long as you are actively enrolled with Health Republic. If your spouse is covered under your plan, then your spouse, if actively enrolled, is also eligible. Dependents are not eligible.
- Subscribers may receive a reimbursement of up to \$200. Covered spouses may receive a reimbursement of up to \$100. Please note that the actual reimbursement amount depends on how much the subscriber and/or covered spouse has paid in gym membership fees during the period the gym visits occurred.
- There is no age requirement, unless your gym establishes an age requirement.

HOW DOES THE REIMBURSEMENT PROCESS WORK?

- To be eligible for reimbursement, you have to pay membership fees to a licensed gym and go to the gym at least 50 times within a consecutive six-month period. You must track and document those visits.
- When you are ready to submit reimbursement documentation, submit the following:
 1. Health Republic Gym Membership Reimbursement Form: The form is available on our website in the Member Center. It is in the "Forms and Guides" section. You must log in to print the form.
 2. Documentation of Tracked Visits: You can use the second page of the reimbursement form, which is a tracking sheet that can be filled in each time you visit the gym. Or, you can submit an official printout from your gym, but it must contain the total number of visits, dates for each visit, and be signed by a gym manager or representative.
 3. Evidence of Payment: You must submit a copy of your gym bill, or similar documentation, which shows how much you paid in gym membership fees during the period of visits.
 4. Mail or fax the completed forms and documents to the address or fax number indicated on the reimbursement form.
- Reimbursement documentation can be submitted once every six months.
- Members cannot combine gym visits to meet minimum visit requirements.

WHICH GYMS CAN I VISIT FOR THE REIMBURSEMENT?

- Members (subscribers and covered spouses) may visit any licensed exercise facility.
- Limitations and Exceptions: Memberships in tennis clubs, country clubs, weight loss clinics, spas or any other similar facilities will not be reimbursed. Lifetime memberships are not eligible for reimbursement. Reimbursement is limited to actual work-out visits. We will not provide reimbursement for equipment, clothing, vitamins, or other services that may be offered by the facility (massages, yoga, etc.).

HOW CAN I CHECK THE STATUS OF MY REIMBURSEMENT?

- You can call our service number, 1-888-990-5702, and speak to the Claims Department. The Claims Department can tell you whether your documents have been received and also the status of the reimbursement. Note: It can take approximately 30 days to process the reimbursement, once it is received.
